## How to Find Your Measurements

- 1. Chest:** Measure the fullest part of your chest, just under your arms.
- 2. Waist:** Wearing as few layers as publically acceptable, measure the smallest part of your waist.
- 3. Hips:** Stand feet together and measure around the largest circumference at your hips.
- 4. Sleeve:** With elbow bent, measure from the shoulder point to your elbow and down to your wrist. When ordering, you can either add 1-inch to the Standard Sleeve length, or remove 1-inch to realize a perfect fit.
